LAST DOUBT OF STATE'S STATUS
TO BE DISPELLED BY THE
LATEST TOUR.

AMBASSADOR REPUDIATES

HENRY CABOT LODGE SILENT
TO DENIAL OF WILSON OF
LUSITANIA SQUABBLE.

(International News Service.)
(BY STUART GODWIN.)

Shadow Lawn, Oct. 31.—President Wilson today prepared for the firing of his last campaign gun to take place at Buffalo tomorrow and in New York City Thursday.

A final "salvo" will be dispatched by Mr. Wilson in a speech here next Saturday afternoon, which will be his last public appearance of the campaign.

Democratic managers today expressed firm confidence that the president's Buffalo and New York speeches will dispel the last doubt as to New York state being "safe for Wilson."

The president will leave here at 10:55 tonight for Buffalo.

HENRY CABOT LODGE SILENT ON LIE CHARGE.

(International News Service.)

Boston, Oct. 31.—Senator Henry Cabot Lodge declined today to enter a reply to the president's denial of the Lusitania note proscript charges. "I do not want to answer the president of the United States off-hand," he said. "I will probably make a full reply tonight."

MEXICAN AMBASSADOR REPUDIATES INTERVIEW.

(International News Service.)

Washington, Oct. 31.—Mexican Ambassador Designate Arrendondo shortly before noon today officially repudiated Secretary Lansing's recent attacks on President Wilson's administration made in news articles and attributed to Luis Cabrera, General Carranza and three other leaders of the Carranza government of Mexico.

Teddy Hurt Hughes in Colorado, Writes Dr. Gunter's Friend

"Teddy's speeches have hurt Mr. Hughes here." This is the comforting assurance, democratically speaking, that came from Colorado today in a letter to Dr. J. L. Gunter. The letter was written by a relative, and stated that while Colorado was close, there was a strong probability that the democratic ticket would win. Judge J. C. Gunter, former member of the supreme court, having been elected to the office while the state was under republican rule, is the democratic nominee for governor, having received the honor without opposition. He is a cousin of the local specialist.

NORWAY'S REPLY ON WHICH HINGES NATION'S ENTRY INTO WORLD WAR, GOES FORWARD

(International News Service.)

Copenhagen, Oct. 31.—Norway's long expected reply to Germany's submarine protest was forwarded to Berlin today, according to a dispatch to Christians.

Events of mighty importance depend upon the negotiations between the two countries, for they mean the entrance of another nation—Norway—into the war.

HEAVY FIGHTING CONTINUES ON ALL WAR FRONTS BUT LITTLE DEVELOPS

DEADLOCK IN ALL THEATRES OF
WAR NOTED BY WAR OFFICES
DURING NIGHT.

RUSSIANS MAKE PROGRESS

FRENCH UNABLE TO DISLodge
GERMANS ON SOMME FRONT,
SAYS BERLIN.

(International News Service.)

This was a deadlock day in the theatres of war. The successes reported were comparatively unimportant. Heavy fighting continues on most of the fronts, especially in the Roumanian zone of operation, where the soldiers are battling in fog and blizzard.

The Russian and Roumanian forces have rallied in a desperate effort to throw Von Falkenhayn's army over the border into Hungary and at some points they have made progress. Another engagement has developed in Dobrudja between Von Mackensen's army and the Russo-Roumanian forces, but Berlin reports the situation there unchanged.

On the Macedonian front the French troops have occupied a village, while the Serbians have advanced slightly. On the eastern front the Turkish troops made a gain in Galicia at the point of the bayonet, and the Germans took several mountain heights.

Powerful counter mountain attacks were delivered by the French on the Somme front last night, but they were unable to dislodge the Germans from Malsoulette farm.

ANOTHER GREAT ENGAGEMENT DEVELOPS IN DOBRUDJA.

(International News Service.)

London, Oct. 31.—Another great engagement has developed in Dobrudja between the German allies under Von Mackensen, and the Russo-Roumanians. The Russians and Roumanians have been reinforced by a column of Russian troops.

(International News Service.)

Rome, Oct. 31.—Heavy reinforcements of Austro-Hungarian troops are arriving for the final defense of Trieste. The Italian war office announced today that an unusual number of troop trains were observed to be arriving in the district.

POLICE CHIEF WEST OF FALKVILLE FINED \$50 FOR RECKLESS DISPLAY OF PISTOL

MAYOR NELSON PUTS HEAVY
FINE ON OFFICER WHO POINT-
ED GUN AT B. MITCHELL.

MUCH ORATORY IS SPILLED

BOND FOR \$150 IS MADE AND DE-
FENDANT APPEALS TO LAW
AND EQUITY COURT.

(International News Service.)

Chief of Police J. W. West of Falkville, was fined \$50 and costs this morning by Mayor James A. Nelson in the mayor's court of Decatur on a charge of too recklessly displaying his pistol, pointing it at the person of Beverly Mitchell, a well-known grocerman of Decatur.

West was represented in court by S. T. Wert, while W. W. Callahan, city attorney of Decatur, represented the municipality. The trial took up an hour and was witnessed by a good-sized crowd. Mayor Nelson announced his decision at the close of the case, saying that "this sort of thing must be stopped."

Mitchell is Only Witness.

Mr. Mitchell was the only witness examined during the trial, although several others had been summoned by the defense. The witness testified that he was in his store one day last week when West came in with two negroes. Mitchell said he walked to the front of the store to wait on West when he was ordered back, the defendant waving a pistol. West then ordered the negroes to handcuff each other. Mitchell declared he was not trying to interfere and did not know that West was an officer. He declared that West looked as though he had been drinking.

On cross examination by Mr. Wert, the witness said he didn't smell whiskey but West appeared to him to be intoxicated. He said he did not know the negroes.

Mr. Callahan made the first speech for the city. He declared that it did not matter whether the pistol was pointed at Mr. Mitchell with the intention of hurting him or not, but in so doing West violated the law of the city.

"It is to stop just that sort of thing," said Mr. Callahan, "that we are trying to convict this man."

Mr. Wert attacked the ordinance as unconstitutional and "not worth the paper on which it was written." He characterized the trial as "a burlesque and a farce," and declared "there is something behind this matter." He said there was no violation of the law in what West did and declared a conviction could not be legally had.

Mr. Callahan replied, saying it was not necessary that West pointed the pistol at Mitchell with any intent to hurt, but that the mere pointing of the pistol makes it a violation of the law, the pointing of a Roman candle even being illegal. He urged a conviction to stop reckless display of firearms.

Mayor Nelson then fined West \$50 and costs and West took an appeal to the Morgan county law and equity court, presenting a bond for \$150.

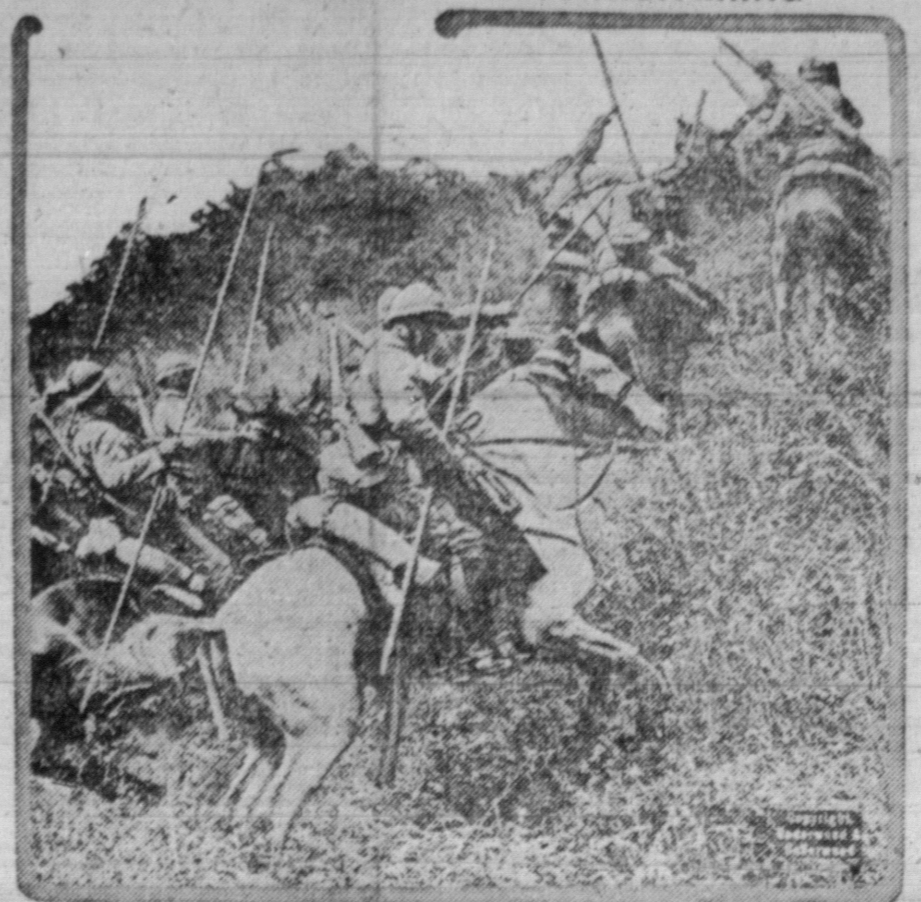

VILLA MARCHES ON THREE MEX. TOWNS

ADVANCE IS UNOPPOSED AND
BANDIT GAINS RECRUITS AT
EACH STOP.

(International News Service.)

El Paso, Oct. 31.—Villistas divided into three forces are marching today on the towns of Parral and Jimenez from Santa Rosalia, which they occupied yesterday. Their advance is unopposed and reports received here by federal agents say that Villa is gaining many recruits from the district through which his forces are moving. It is believed that he will have more men than Gen. Herrera when he reaches Parral, where the Carranza garrison is said to number only 2,000.

FRENCH CAVALRY RECONNOITERING

General Joffre has kept these and nearly all his other mounted men from within rifle range of the Germans. He knows they would be helpless before machine-gun fusillades in fields of trenches and barbed wire barricades. These men, who were photographed while reconnoitering in the Somme region, are as fine cavalry as the world ever saw.

WILSON HAS BIG LEAD TODAY IN STRAW VOTE OF DRUGGISTS

Ohio, Minnesota, Wisconsin, and Other Big
States Go For President who Has 283
Votes to 248 For Chas. E. Hughes

President Wilson took a big jump this morning over Chas. E. Hughes in the straw vote canvass of the Rexall druggists over the nation. He now has 283 straw electoral votes while Hughes has 248. Yesterday the result stood 266 for Hughes to 265 for Wilson.

The result of the straw voting was announced today by the local Rexall stores, the Owl-Drug Company of Bank street and the Preuit-Dillehay Drug Company of Second avenue.

According to this poll President

Wilson will carry the following states:

Ohio, with 24 electoral votes; Arizona, 3; Colorado, 6; Delaware, 3; Kansas, 10; Maine, 6; Minnesota, 12; Nebraska, 8; New Mexico, 3; South Dakota, 5; Utah, 4; West Virginia, 8; Wisconsin, 13; Wyoming, 3.

These states total up 108 electoral votes and these added to the 175 votes of the solid south, including Missouri and Kentucky, make 283 votes for Wilson.

Hughes is given the remainder of the states, including New York and Indiana.

Cost of Clothing Has Decreased in 50 Years, Local Dealer Shows

Brown Sheetting, Prints, Gingham, Bleached Cotton and
Other Goods Show Big Falling-Off
Since 1864

The cost of dry goods has taken a big jump down the ladder, according to W. H. Aycock of the wholesale firm of W. H. Aycock & Co., who exhibited a price list of a New Orleans wholesale firm that was sent to customers on August 27, 1864.

"The price of American prints today, 8 cents, does not seem high in comparison with the 45 cents a yard asked in 1864," said Mr. Aycock. "A ticking that cost 67 1/2 cents then, can be had for 20 cents a yard now. A brown sheeting that brought 60 cents a yard in 1864 can be had now for 8 1/2 cents. A bleached cotton that brought 70 cents a yard then can be had now for 10 1/2 cents. Another that sold for 61 cents a yard is offered now at 7 1/2 cents. A 10/4 sheeting that

brought \$1 a yard can be had now for 32 cents.

"What is of equal importance to know in comparing values then and now is that the cloths offered today are infinitely superior in quality, and oftentimes much finer in construction. The manufacturing changes that have occurred have been translated into greater values for the consumer. Every experienced trader knows it."

Among the other prices on the list were prints at 40 and 50 cents which may now be had for 8 cents; gingham at 40 cents which are now worth 7 to 11 cents; apron checks priced at 45 cents, which are now worth from 7 1/2 to 8 cents; bleached cottons at 40 to 50 cents which may now be had for 8 1/2 to 9 1/2 cents, and many others.

GERMAN SUBMARINE WARFARE OPENED ON A GIGANTIC SCALE

Washington Hears That Every Merchant Vessel
Bound For British Port is to be Sunk

PROBE MARINA AND ROWANMORE AFFAIR

If American Lives Were Lost Strong Note Demand-
ing Reparation Will be Sent to Germany

(International News Service.)

Washington, Oct. 31.—In connection with the sinking of the steamers Marina and Rowanmore, Count Von Bernstorff, German ambassador, issued the following announcement exclusively for the International News Service: "There is no intention on the part of the German government of changing its submarine policy. Germany has every intent of keeping her pledges to the United States, and there must be some explanation of the sinking of the Marina. The boat must have tried to escape."

(International News Service.)

Washington, Oct. 31.—The attacks by German submarines upon the Marina and Rowanmore is believed in official circles today to be the opening of the German submarine warfare on a larger scale than ever before attempted.

The state department has received confidential information that the German navy has set about to destroy every merchant vessel bound for an English port. It is not, however, to be a general return to "ruthless" submarine warfare. The work of destruction of the undersea war vessels is to be conducted generally in accordance with the principles of international law as upheld by the United States.

Further investigation was being made today by state department representatives in London to determine the status of the steamer Marina, sunk with the reported loss of American citizens. The status of the Rowanmore is accepted as definitely established as a merchantman and the attack as in violation of Germany's pledges to the United States. If the final official report of Consul Frost shows that American lives have been endangered or lost by an act in violation of international law it is generally admitted that demands for an immediate apology and punishment of the submarine commander will be made upon the German government. It is not doubted that the demands will be complied with without hesitation.

Official information apparently making it clear that international law was violated when the Rowanmore's crew was shelled after taking to the life boats, state department officials here began taking the first step toward making a diplomatic issue of the case.

No demand will be made by the United States until after the German official account of the attack has been received and compared with the British report.

U. S. BEGINS INVESTIGATION OF SINKING OF SHIPS.

(International News Service.)

London, Oct. 31.—The United States embassy has begun an investigation into the sinking of the British freighters Marina and Rowanmore, both of which carried Americans in their crews when they were destroyed by German submarines.

HUGHES TAKES VIEW OF THE DEMOCRATS

(International News Service.)

Columbus, Ind., Oct. 31.—His position regarding an arms embargo and the warning of Americans on ships of belligerent nations was stated plainly here today by Chas. E. Hughes. After his speech had been interrupted with a question regarding these things.

In reply to a man in the audience, Mr. Hughes said:

"I am, sir, in favor of the maintenance of every right including the right of travel and the right of shipment. It is a very important thing that we have these rights as a neutral nation and it is very important that at this time while the great war is raging we shall vindicate neutral rights and maintain the integrity of international law. To my mind it is a very thoughtful policy that would surrender any of these important rights because of any sentimental consideration."

Jury Holds That Death Of W. P. Vines Due to Accidental Fall

The death of W. P. Vines, which occurred last year in South Albany, ten days prior to the demise of his wife in a Memphis hospital, was due to concussion resulting from the fall to the street, and not to heart failure, a jury decided this morning in the law and equity court.

The case came before the jury in the suit of E. D. Whitman as administrator of Mrs. Cora Vines vs. Travelers Insurance Company, and was for the face value of a \$2,000 accident policy. The complainant contended that Mr. Vines dropped a coat from his arm, tripped over it and fell to the street. The insurance company held that death was due to a heart attack. The full amount of the judgment was \$2,170.50.

G. L. Smith Transferred To The Atlanta Office

G. L. Smith, formerly manager of the Southern Bell Telephone & Telegraph Company, Albany office, and district traffic chief of the American Telephone & Telegraph Company, leaves for Atlanta, Ga., about November 4. Mr. Smith is transferred to the position of chief clerk to J. S. Bridger, division superintendent of traffic of the American Telephone & Telegraph Company of the southern division which takes in practically all the territory below the Mason and Dixon line. J. E. Harrell, of Nashville, will have charge of the Albany district.

Miss Esther M. Gary, formerly stenographer in the office of the American Telephone & Telegraph Company at Albany, has been transferred to a similar position in the district office of the American Company, Nashville.

Dr. J. M. Frost, Noted Baptist Divine, Dead

Nashville, Tenn., Oct. 31.—(Special.) Dr. James Marion Frost, founder of the Baptist Sunday school board, and a prominent figure in the Southern Baptist church, died at his home, 2017 Terrace Place, Monday night at 9 o'clock, after an illness which extended over a period of several months. For the past few weeks Dr. Frost had been confined to his bed, his condition steadily growing weaker, and a few days ago all hope for his recovery was given up. He was 68 years old.

ANNIVERSARY OF REV. R. F. STUCKEY CELEBRATED HERE

The anniversary of the pastorate of Rev. R. F. Stuckey of the First Baptist church of Albany, was fittingly celebrated Sunday night before an audience that filled the church to its doors. There is no better argument for the need of the new church, now well begun by this congregation, than the crowded condition of the old church on Sunday night. The night being a little cool the windows were closed and the air soon became suffocating, making it difficult for the program to be carried out.

Aside from stirring hymns by the choir, as directed by Carlisle Buck, Miss Lottie Masterson sang a beautiful solo. It was reported that during the current year 32 new members had been added to the church roll and 13 new families. Eighteen of the new members were received by baptism; others by letters and still others who had for one reason and another "excluded themselves for some years from church fellowship."

The amount paid into the church treasury was reported as \$2,019.00 during the year, and this amount has been disbursed to missions, to work and material for the new church, and for pastor's salary. All other claims on the church have been fully paid and no indebtedness is outstanding. At times throughout the year the congregation has released Rev. Stuckey for evangelistic work, and from this effort 45 converts are reported, a number reclaimed, and two according to Mr. Stuckey, made death bed confessions of Christ as their Savior. It was stated that the pastor's salary was twice raised during the year. Stress was laid on the fact that some ten or twelve young people had, during the year, taken up the cross in earnest, and were finding themselves in a real life of service.

Rev. Stuckey Preaches With Power. For his anniversary sermon Rev. Stuckey chose as his text St. Paul's words, "Forgetting the things that are behind I read forward toward the mark of the high calling which is in Christ."

The preacher stated that Paul did not profess perfection, claiming, on the contrary, that he had not yet "apprehended."

"But Paul did say: 'This one thing I do.' He had the power of concentration of effort. His thought, will and actions were exceptionally well co-ordinated. He said he could do all things through Christ. In a word, the great apostle was irresistible."

The New Testament church was cited as having "laid down their whole possessions at the apostle's feet."

In concluding Mr. Stuckey spoke with comprehension on what is meant by the "high calling which is in Christ Jesus," as set forth in his text. At the close of the sermon amid a spirited singing of the hymn, "Onward Christian Soldiers," a large part of the audience came forward and gave the preacher their right hand in token of their desire to do Christian service, especially in the work of completing the new church building.

When completed the First Baptist church of Albany will stand on an eminence overlooking Wadsworth street; will have a large auditorium and ten class rooms for Sunday school work. The church will be of brick and will cost several thousand dollars.

Jubilee Year of San Bros. Circus

Now on what is termed their twenty-fifth Jubilee Year and Tour, the Sun Brothers' World's Progressive Shows are coming back to Albany-Decatur and will give two performances on Thursday, Nov. 2.

It is hardly necessary to state here that this tented show is alright, for the reason that our citizens know that it is all right and besides it is simply pure, all clean and respectable.

The advance printing matter states that the program for presentation is absolutely all new for this season, not one old feature being retained. The success of this noted tented aggregation has been realized by presenting the American people a tented show entirely free from every form of graft; by keeping every promise made in the matter of exhibitions, and by treating those who visit these exhibitions with the utmost courtesy and respect. It is this manner of treatment which often causes one to feel more guest than patron when he visits the Sun Brothers' Shows.

Many of their rival showmen who countenanced the old time confidence man, the shell worker, the fortune teller, the short changer and other forms of graft, make the assertion, that the show could not live without adjuncts of that kind, and also sneeringly referred to the Sun Brothers' Shows as "that Sunday school show."

Ever since its inception twenty-five years ago, the Sun Brothers have been deeply foes of anything of a degrading character and have kept their shows intact and free from it, and today it is the only show of its size in America that can successfully "repeat" each season town for town. The amusement going people have confidence in the show, because of the new and original performances each succeeding season, and always of the very best. Its great cleanliness and the honest, courtesy and fair treatment given to all who visit their shows or do business with them.

The show will arrive in Albany-Decatur by special train service early in the morning. At noon preceding the afternoon performance, a number of highly original free outside shows will be presented to the public, all taking place on the show grounds and absolutely free to the public.
